Norwalk, CT

May - August 2024

- Observed design, development, and market interaction of electronic stimulation pain relief devices for a 3-month period.
- Led a data analysis project to diagnostically compare electrode pad manufacturers to decrease electrode costs by 40%.
- Assisted lead quality engineer in SOP revisions, verification protocols, and various operations analyses to improve efficiency.

CAMP RAMAH IN THE BERKSHIRES

Waterfront Specialist

Wingdale, NY

June - August 2023

- Worked 10 hours a day, 6 days a week as a lifeguard at a sleep away camp for children aged 7-15 over a 7-week period.
- Instructed swim lessons and guarded free swims using CPR, Starfish, and Waterfront Lifeguard certifications.
- Supervised bunk with fifteen 9-year-old campers and assisted in programming, emotional support, and social advising.

TOPHAT TUTORS

Co-President, Tutor

Fairfield County, CT

August 2021 - June 2023

- Tutored students weekly both online and in-person aged 10-16 in Mathematics, Chemistry, Physics, Spanish, and English.
- Provided study strategies and executive functioning support to students alongside organizing academic support tactics.
- Scaled participation by recruiting a staff of 12 tutors and thoughtfully pairing each with 5 students per year.

LEADERSHIP

CORNELL DEBUT

Research & Development Analyst

Ithaca, NY

September 2023 - Present

- Work in a team of 8 members to research and analyze gaps in healthcare and develop a product for submission to competition.
- Brainstorm, design, and build a novel biomedical device over a 2-year timeline through literature analysis and bi-weekly meetings.
- Led hardware development of an ADHD diagnostic device, selected as a finalist in the Medtronic Student Design Competition.

PROFESSIONAL DEVELOPMENT OF WOMEN

Incoming Vice President of Recruitment & Outreach

Ithaca, NY

May 2025 - Present

- Built a network of 100+ professional female Cornell students and alumni to enhance corporate etiquette and financial literacy.
- Design and implement a web feature for members to access a comprehensive alumni database and curated recruitment resources.

HEARSAY A CAPELLA

Alumni Relations Chair, Member

Ithaca, NY

February 2024 - Present

- Perform in two concerts a year alongside 13 female individuals; help to sell 250+ tickets to classmates and faculty.
